DEKORART

SPC WALL PANEL

100%
WATERPROOF

NEXTSTEP

About Our Panels

You can use our new generation SPC wall panels in homes, offices, hotels, restaurants, hospitals, etc (indoor).
You can create aesthetic and warmer environments by using it on the walls of all

kinds of living spaces.

Thanks to the 100% waterproof feature of our SPC wall panels, they are suitable for long-lasting and safe use in wet areas such as bathrooms and kitchens.

It also provides the best and most accurate solutions for tiny-houses, the recently popular alternative living space.
